COMMON QUESTIONS ABOUT PAYMENTS FROM INDIA

1. **"I have a loan from a bank or financial institution in India. Can I use Flywire?" – YES!**

After making your payment request, you will be provided with an "Authorization Letter" along with the bank instructions from Flywire. The authorization letter will demonstrate that Flywire is only acting as the official authorized international payment processor and the end recipient of your payment is UC San Diego.

2. **"My bank says I cannot pay through Flywire." – FALSE! You can pay via Flywire, UC San Diego's trusted partner**

Banks encourage students to pay directly through them in order to add higher international exchange fees. Provide your bank with the authorization letter from the Flywire website (available after booking your payment on Flywire), along with the Flywire bank instructions, and as proof of the partnership between Flywire and UC San Diego.

3. **"What if a student doesn't have a PAN?"**

The PAN is a 10-digit alphanumeric Permanent Account Number issued in India. Some students may have a PAN, some may not. If not, the parent/guardian should complete the payment information and enter their PAN.
